**Your One Stop Multi-Service Center**

Dear Parent(s) / Guardian(s):

The Information Referral Resource Assistance, Inc is continuing our efforts to facilitate communication with parents/guardians of our learners. To this end, you now have the ability to securely view learner's grades, attendance, teacher comments and the school's daily bulletin over the internet. You may access Information Referral Resource Assistance, Inc. website: <http://www.IRRA.org> by clicking the Parent Portal link. Then, login with the user name and password below:

Please keep your password confidential so only you can access the information. If at any time you feel your password has been compromised or if you don't want access to learners records through the Parent Portal, please contact you school.

Grades will be posted by the teachers after they have adequate time to grade and post scores. Keep in mind that larger projects may require additional time. Occasionally, a missed keystroke may alter the information. If something looks incorrect, please email the teacher or call the center office.

If you any issues accessing the Parent Portal, please email <http://www.IRRA.org> or call your center office. During the initial implementation of the Parent Portal, please be aware that the school staff may not be able to respond to you immediately. Thank you in advance for your patience.

Sincerely

Center Director
